

**Percentage of women mathematicians in 1993.**

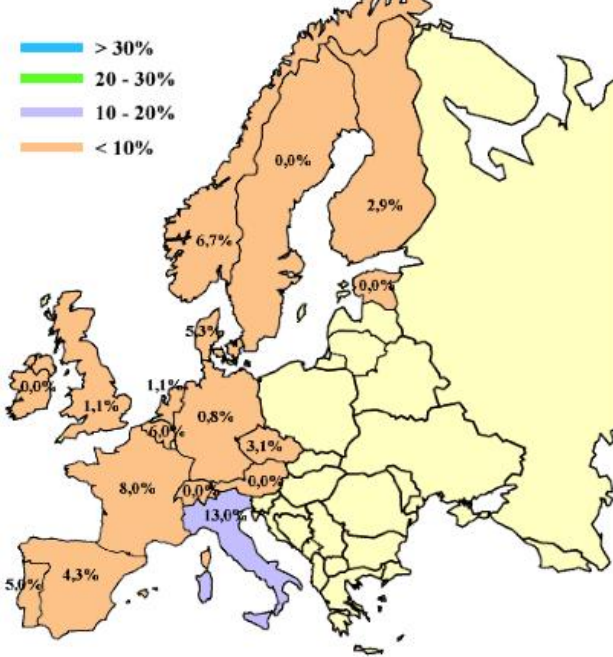

**Percentage of women mathematicians in 2005.**

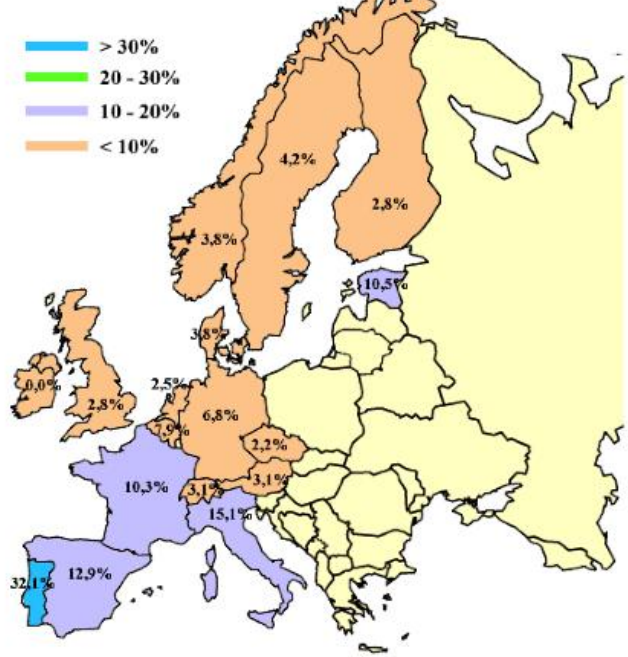

**Statistics gathered by  
European Women in Mathematics  
and the Women in Mathematics Committee  
of the European Mathematical Society**

Notice the evolution in time, as well as the difference between southern and northern Europe.

**Percentage of women full professors  
in 1993.**

**Percentage of women full professors  
in 2005.**

**Statistics gathered by  
European Women in Mathematics  
and the Women in Mathematics Committee  
of the European Mathematical Society**

Notice the difference between the proportion of full professors and the proportion of women mathematicians, the evolution in time, as well as the difference between southern and northern Europe.
